

VCMS Shopping Rewards Program

Dear Parents and Guardians,

Part of what makes our school community so exceptional is the wonderful support we receive from our students' families. Again this year, we are bringing you the opportunity to support VCMS in an easy and effective way...simply by doing your everyday grocery shopping.

With the educational programs sponsored by your local stores you can help us earn valuable educational supplies...absolutely free!

Please take a few minutes and register your grocery store cards for VCMS. Even if you have registered in the past you must re-registered each year. Your child's school is enrolled in the following programs:

Stop&Shop - go to www.stopandshop.com/aplus

Our school ID# is 07591

Go to the red box that says "For Customers" and register your card.

Price Chopper - go to www.pricechopper.com

Our school ID# is 35933

You may find the link under the "Savings" tab, and then click on "Tools for Schools". Go to the "Sign Up" link and register your card.

Shop Rite - go to www.shopriteforeducation.com

Our school ID# 18723

Click on the Price Plus card registration

Once again, **Big Y** has started their **Education Express** shopping rewards. All you have to do is log onto BigY.com and register your card. Then select Vernon Center Middle School to receive points each time you purchase products marked with the Education Express logo.

As always, we will continue to collect Box Tops for Education from participating products. Please cut them out and send them into Ms. Rulli or Mrs. Hoyt.

Thank you for your continued support of our activities.

Mrs. Hoyt and Ms. Rulli
Student Council Advisors
